### **About GENPHARMA:**

The Company was incorporated in 1992, Generic Pharmasec Limited initially started as a manufacturer and trader of organic and inorganic chemicals, dyes and pigments and from 2018 onwards the Company shifted its business activities to buying, selling and distribution of all kinds of pharmaceutical, medicinal and medicated preparations.

The Company has tied up with Abbott Point of Care Corporation INC, USA for distribution of their niche diagnostic equipment namely, i- STAT 1 Analyzer which is a hand-held blood analyzer exclusively used in ICUs and ICCUs of hospitals for immediate test results. STAT 1 Analyzer is lightweight, portable and easy to use. It operates with the advanced technology of i-STAT test cartridges. Together they create the i STAT system - a point-of-care-testing platform that provides healthcare professionals with diagnostic information when and where it is needed. The Company supplies i-STAT 1 blood Analyzers to various distributors spread all over the country. These distributors supply the same to various government as well as private hospitals in their territory.

## About AHPL:

Amneal Pharmaceuticals, Inc. (NASDAQ: AMRX) is a fully integrated, U.S.-based global leader in essential medicines, driven by a strong generics business, a growing branded portfolio, and expanding expertise in institutional injectables, biosimilars, and select international markets, including India. Founded in 2002 by brothers Chirag and Chintu Patel, Amneal was inspired by their father, Kanu Patel, an industrial pharmacist and pharmaceutical regulatory inspector in India. India holds a special significance for Amneal. Over the past 15 years, the company has invested more than \$300 million in capital and acquisitions to build a strong presence in the country. With over 5,500 employees across eight FDA-approved global manufacturing and R&D facilities, Amneal plays a pivotal role in producing high-quality medicines. In late 2022, the company reinforced its commitment to India by launching commercial operations focused on providing innovative, high-quality specialty medicines for Indian patients and families.
